

Name	Conly L. Hansen
Academic rank	Professor (1994 - present)
Specialization area	Biological Engineering: Food processing & nutrition
Education	Ph.D. in Agricultural Engineering, Ohio State University, Columbus, Ohio (1980) M.E. in Mechanical Engineering, USU, Logan, Utah (1973) <i>B.S. in Mechanical Engineering, USU, Logan, Utah (1971)</i>
Languages	English (native language)
Professional membership	American Society of Agricultural Engineers (ASAE) ASAE Food Process and Engineering Institute, Pacific Northwest Section Institute of Biological Engineers (IBE) International Food Technologists (IFT) IFT Food Engineering, Bonneville Section American Dairy Science Association (ADSA)
Professional registration	Professional Registration in Ohio (#E-44078) and Utah (#170636-2202)
Experience highlights	
Teaching & research	
Publications	Refereed publications: 35. Books, Chapters in Books, Reports and Technical Papers: 43.
Principal publications of last five years	
Awards	Sigma Xi, Academic Honorary Sigma Tau, Honorary Society in Engineering Gamma Sigma Delta, Honorary Society in Agriculture Alpha Epsilon, Honorary Society in Agricultural Engineering Fellowship, Ohio State University, funded by Flavorland Industries (1977-1978) Graduate Student Alumni Research Award, Ohio State University, (1978) Outstanding Young Men of America (1982) Researcher of the Year, awarded by the College of Family Life, USU (1993) Advisor of the Year, Department of Biological & Irrigation Engineering, USU (2000-01)
